DESCRIPTION:

Triton announces the release of the XScale Serial Modem Kit for the RL51xx unit. A complete kit including the Serial Modem, Power Cable, Comms Cable and double sided tape for installation is available on www.ATMGurus.com as **part number 06200-00351**. A software update file load (xt20stsm 1.0.0) is required.

Once the modem has been upgraded, individual parts can be ordered as Modem part number [09200-50001](#), Power Cable part number [09120-00816](#) & Cable part number [09120-07197](#). Inventory of part number [06200-10329](#), XScale PCMCIA Modem Kit is still available in limited quantities. Once supply is depleted, the upgrade kit will be required.
