DESCRIPTION:

Triton announces the release of Triton Connect 6.0 Service Pack 3 software. This release replaces Service Pack 1 and Service Pack 2 and adds the following changes:

Service Pack 2

- Email alerts given higher priority than ATM calls
- Added support for T9 error codes
- Added ability to send load files to CE6 and CE7 ATMs
- Added maximum withdrawal amount ISO action

Service Pack 3

- Performance Enhancements
- Improvements to Triton Connect Numbers and Version Numbers Reports
- Fixed Call Viewer Crash

Please refer to the release notes for additional details. Software and release notes can be found on www.TritonATM.com.
