<input type="checkbox"/>	Technical Tips

Recommended Implementation is:	
<input type="checkbox"/>	Now for all affected units
<input type="checkbox"/>	All affected units during next service visit
<input checked="" type="checkbox"/>	Optional
<input type="checkbox"/>	No implementation required

DESCRIPTION:

In our continuing effort to provide customers with the most reliable products possible, Triton has worked diligently to improve the NMD100 mounting bracket. Triton has tested and is releasing to our customers a redesigned mounting bracket that offers more support. This bracket utilizes the lower row of mounting holes on the NMD100 dispenser and two handle mount brackets must be installed.
