<input type="checkbox"/>	No implementation required

## DESCRIPTION:

Due to the discontinuation of the 8" display with CCFL bulbs, Triton announces the release of a new 8" display with LED lights as part number 09110-20068 and a CCFL bulb to LED upgrade kit as part number 06200-10068. Both are available for purchase through [www.atmgurus.com](http://www.atmgurus.com).

**Note:** The use of the new 8" display requires an application software update.
