

TECHNICAL BULLETIN

SUBJECT:
X3 MAIN BOARDS FOR ARGO 12

TECHNICAL BULLETIN: 17-14
DATE: SEPTEMBER 14, 2017

Confidential - Available to all authorized Triton distributors and third party service providers

**OPTIONAL UPGRADE – RELEASE OF US, UK, CANADIAN, AND AUSTRALIAN VERSION 4.1
SOFTWARE FOR ARGO 12 X3 CE7**

Triton announces the release of X3 main boards for ARGO 12. The new main board will be available for purchase in September 2017 and replaces X2 main boards in ARGO 12 models RL63. The X3 main board boasts faster processing time for CPU-intensive operations, such as boot up, and viewing journals or other reports. The following assemblies will be available via www.atmgurus.com for field upgrades.

Country	Part Number	Description
US	09211-12211	X3 module with base board and housing assembly
Canada	09212-12211	X3 module with base board and housing assembly
Australia	09214-12211	X3 module with base board and housing assembly
UK	09216-12211	X3 module with base board and housing assembly

For ARGO 12 models RL63 and RL65 only.
