VERSASAFE X3	DATE: AUGUST 29, 2018

Confidential - Available to all authorized Triton distributors and third party service providers

OPTIONAL UPGRADE – VERSASAFE X3

Triton announces the release of the updated and upgraded VersaSafe X3. The new model, which includes an X3 main board, boasts faster processing time for CPU-intensive operations, such as boot up, and viewing journals or other reports.

	X2	X3
Operating System	Windows CE5	Windows Compact 7
Processor	Cirrus EP9307	Freescale i.MX287
Memory (RAM)	128 MB	128 MB
Flash (Storage)	128 MB	128 MB
Processor Speed	200 MHz	454 MHz

The new VersaSafe X3 is equipped with a 7" touch screen display and new control panel, an updated component tray and new cabling, and an additional bill validator option. The new option features up to two bill acceptors with locking 600 note cassettes that can be fitted with bulk note feeders, if desired. Contact Triton Sales for availability.
