

A **DOVER** INDUSTRIES COMPANY

IMPORTANT NOTICE

THIS CASH DISPENSER HAS
SECURE PIN ENTRY DEVICE (SPED)
HARDWARE INSTALLED!

NEW FEATURES PROVIDED BY SPED

1. Enhanced PIN entry security.
2. Support for MACing (Message Authentication Code) for secure storage of cryptographic keys and high-speed encryption.

CHANGES TO EXISTING FEATURES

1. Top-Level ATM Menu Access: Press and hold the BLUE key. While holding the BLUE key, press the <1> key.
2. Eprom Diagnostic Menu Access: Press the <1> key *after* power is applied, but before completion of P.O.S.T. diagnostic test (approximately 7 seconds).

***SEE YOUR OPERATIONS MANUAL FOR MORE
DETAILS ON SPED FEATURES!***
